

## Notice to Customers

### General Rate Increase from China/Hong Kong to Australia

Dear Customer,

Oceanic Shipping Agencies as agents for TS Lines Ltd would like to advise that rates for all cargoes and all container types from Hong Kong and mainland China will increase as follows.

**USD500/20' and USD1000/40' - effective the 15<sup>th</sup> October 2017.**

This increase will apply in full, on top of existing ongoing market rates and will be subject to accessorial surcharges applicable at the time of shipment.

We thank you for your support and if you require any additional information please feel free to contact Oceanic Shipping Agencies.
